

Art therapy graduate Mary Lou Jones, 42, of London gets a hug from her daughter, Katelyn, 4½, after receiving her diploma Monday afternoon. Jones, a single mother, has two daughters adopted from the Caribbean island of St. Vincent through the Canadopt program. Her other daughter is six-year-old Zoe. More convocation coverage is on Page B3.

### Mature students love studies

Mary Lou Jones, with her daughters Katelyn, 4, left, and Zoe, 6, graduated from UWO's art therapy program Monday. Jones, a single mother, adopted the two girls from St. Vincent through the Canadopt program. She is one of a number of mature students who juggle a family life and textbooks but will continue their studies. **Page B9**
