Calc 1500A-001: In-person Lectures Monday, Tuesday, Wednesday and Friday 8:30-9:30 a.m. in B&G 0165

Contingency plan for an in-person class pivoting to 100% online learning.

In the event of a COVID-19 resurgence during the course that necessitates the course delivery moving away from face-to-face interaction, affected course content will be delivered entirely online, either synchronously (i.e., at the times indicated in the timetable) or asynchronously (e.g., posted on OWL for students to view at their convenience). The grading scheme will not change. Any remaining

assessments will also be conducted online as determined by the course instructor.

4. Course Materials

Textbook: CLP-1 Differential Calculus and CLP-2 Integral Calculus by Feldman, Rechnitzer, and Yeager. Available free from <https://personal.math.ubc.ca/~CLP/>. The texts are available in several different forms. If page number references are used in the course, they will refer to the “combined” versions: https://personal.math.ubc.ca/~CLP/CLP1/combined_clp_1.pdf and https://personal.math.ubc.ca/~CLP/CLP2/combined_clp_2.pdf

Supplementary Textbook: OpenStax Calculus Volume 1 by Herman and Strang. Available free from <https://openstax.org/subjects/math>

Occasional additional course material will be provided online via OWL.

Students are responsible for checking the course OWL site (<http://owl.uwo.ca>) on a regular basis for news and updates. This is the primary method by which information will be disseminated to all students in the class.

All course material will be posted to OWL: <http://owl.uwo.ca>.

If students need assistance with the course OWL site, they can seek support on the OWL Help page. Alternatively, they can contact the Western Technology Services Helpdesk. They can be contacted by phone at 519-661-3800 or ext. 83800.

5. Methods of Evaluation

The overall course grade will be calculated as listed below:

Written Assignments (6)	21%	Due Sept 20, Sept 27, Oct 12, Oct 25, Nov 15, Nov 29
In-Class Quizzes (4)	36%	Sept 30, Oct 14, Oct 28, Nov 18
Final Exam	43%	To be scheduled by the registrar

To request a one-week extension of the due date for an assignment, contact the instructor. This is not an academic accommodation.

6. Student Absences

If you are unable to meet a course requirement due to illness or other serious circumstances, please follow the procedures below.

Assessments worth less than 10% of the overall course grade:

Contact your instructor first. If academic accommodation for up to two missed assignments is granted by the course instructor or a faculty counsellor, then your mark for those assignments will be replaced by the average mark on your other assignments. If academic accommodation for one quiz is granted by the course instructor or a faculty counsellor, then your mark for that quiz will be replaced by the average mark on your other quizzes, there will be no makeups for missed quizzes.

Assessments worth 10% or more of the overall course grade:

For work totaling 10% or more of the final course grade, you must provide valid medical or supporting documentation to the Academic Counselling Office of your Faculty of Registration as soon as possible. For further information, please consult the University's medical illness policy at

https://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_medical.pdf.

The Student Medical Certificate is available at

https://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf.

If academic accommodation for more than two missed assignments is granted by a faculty counsellor, then each other assignment will count for 5% and the excess assignment mark will be assigned to the final exam. If academic accommodation for more than one missed quiz is granted by a faculty counsellor, then each other quiz will count for 15% and the excess quiz mark will be assigned to the final exam. There will be no makeups for missed quizzes.

Absences from Final Examinations

If you miss the Final Exam, please contact the Academic Counselling office of your Faculty of Registration as soon as you are able to do so. They will assess your eligibility to write the Special Examination (the name given by the University to a makeup Final Exam).

You may also be eligible to write the Special Exam if you are in a "Multiple Exam Situation" (e.g., more than 2 exams in 23-hour period, more than 3 exams in a 47-hour period).

Note: missed work can only be excused through one of the mechanisms above. Being asked not to attend an in-person course requirement due to potential COVID-19 symptoms is not sufficient on its own.

6. Accommodation and Accessibility

Religious Accommodation

When a course requirement conflicts with a religious holiday that requires an absence from the University or prohibits certain activities, students should request accommodation for their absence in writing at least two weeks prior to the holiday to the course instructor and/or the Academic Counselling office of their Faculty of Registration. Please consult University's list of recognized religious holidays (updated annually) at

<https://multiculturalcalendar.com/ecal/index.php?s=c-univwo>.

Accommodation Policies

Students with disabilities are encouraged to contact Accessible Education, which provides recommendations for accommodation based on medical documentation or psychological and cognitive testing. The policy on Academic Accommodation for Students with Disabilities can be found at:
