Mathematics 9308B Topics in Harmonic Analysis: Fourier Analysis, January–April 2023

Monday 11:30-12:30, Tuesday 12:30-1:30, Friday 11:30-12:30 in Middlesex College Room 108

*NB: Lecture times may change have changed in consultation with the class.*

Contingency plan for an in-person class pivoting to 100% online learning.

In the event of a COVID-19 resurgence during the course that necessitates the course delivery moving away from face-to-face interaction, affected course content will be delivered entirely online, either synchronously (i.e., at the times indicated in the timetable) or asynchronously (e.g., posted on OWL for students to view at their convenience). The grading scheme will not change. Any remaining assessments will also be conducted online as determined by the course instructor.

### 4. Course Materials

Textbook: Introduction to Fourier Analysis and Wavelets by Mark A. Pinsky. Graduate Studies in Mathematics Volume: 102; 2002. American Mathematical Society.  
See <https://bookstore.ams.org/view?productcode=GSM/102>.

Students are responsible for checking the course OWL site (<http://owl.uwo.ca>) on a regular basis for news and updates. This is the primary method by which information will be disseminated to all students in the class.

All course material will be posted to OWL: <http://owl.uwo.ca>.

If students need assistance with the course OWL site, they can seek support on the OWL Help page. Alternatively, they can contact the Western Technology Services Helpdesk. They can be contacted by phone at 519-661-3800 or ext. 83800.

## 5. Methods of Evaluation

The overall course grade will be calculated as listed below:

Written Assignments (3)	21%	Due February 7, March 7, March 28
In-class Quizzes (2)	19%	February 10, March 10
Final Exam	60%	To be scheduled by the registrar

To request a one-week extension of the due date for an assignment, contact the instructor. This is not an academic accommodation.

## 6. Student Absences

If you are unable to meet a course requirement due to illness or other serious circumstances, please follow the procedures below.

### Assessments worth less than 10% of the overall course grade:

Contact your instructor first. If academic accommodation for a single missed assignment is granted by the course instructor or a faculty counsellor, then your mark for that assignment will be replaced by the average mark on your other assignments. If academic accommodation for two missed assignment is granted by the course instructor or a faculty counsellor, then the remaining assignment will count for 14% and your final exam will count for an additional 7%. If academic accommodation for all three missed assignment is granted by the course instructor or a faculty counsellor, then your final exam will count for an additional 21%.

If academic accommodation for one quiz is granted by the course instructor or a faculty counsellor, then your mark for that quiz will be replaced by your mark on the other quiz, there will be no makeups for missed quizzes. If academic accommodation for both quizzes is granted by the course instructor or a faculty counsellor, your final exam will count for an additional 19%.

### Assessments worth 10% or more of the overall course grade:

For work totaling 10% or more of the final course grade, you must provide valid medical or supporting documentation to the Academic Counselling Office of your Faculty of Registration as soon as possible. For further information, please consult the University's medical illness policy at

[https://www.uwo.ca/univsec/pdf/academic\\_policies/appeals/accommodation\\_medical.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_medical.pdf).

The Student Medical Certificate is available at

[https://www.uwo.ca/univsec/pdf/academic\\_policies/appeals/medicalform.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf).

### **Absences from Final Examinations**

If you miss the Final Exam, please contact the Academic Counselling office of your Faculty of Registration as soon as you are able to do so. They will assess your eligibility to write the Special Examination (the name given by the University to a makeup Final Exam).

You may also be eligible to write the Special Exam if you are in a "Multiple Exam Situation" (e.g., more than 2 exams in 23-hour period, more than 3 exams in a 47-hour period).

Note: missed work can only be excused through one of the mechanisms above. Being asked not to attend an in-person course requirement due to potential COVID-19 symptoms is not sufficient on its own.

## **6. Accommodation and Accessibility**

### **Religious Accommodation**

When a course requirement conflicts with a religious holiday that requires an absence from the University or prohibits certain activities, students should request accommodation for their absence in writing at least two weeks prior to the holiday to the course instructor and/or the Academic Counselling office of their Faculty of Registration. Please consult University's list of recognized religious holidays (updated annually) at

<https://multiculturalcalendar.com/ecal/index.php?s=c-univwo>.
